CHALLENGE		SOLUTION		OUTCOMES		TEAM		
<p>The purpose of the Envisioning session is to review all aspects of a potential upgrade to Microsoft 365 SharePoint Online services. Alachua County Public asked us to focus on migrating their "Q Drive" and the encrypted data within it. About 130 GB was store on this drive & they wanted to migrate to SPOL in addition to 5TB of total data from GSuite. They were looking for turnkey approach for lift & shift and to examine proper governance policies once it was migrating. There were limited ways to have specific departments and 3rd parties access this data & was also something they needed to be addressed</p>		<p>eGroup Enabling Technologies provided the following solutions. A high-level comparison of existing document storage/retention methodologies and what functionalities will be gained/modified by migrating to SPOL. Review business needs for M365 SPOL – Determine end goals/objectives & determine the appropriate solutions to meet the need of Alachua County Public Schools. The Adoption Team will facilitate an envisioning session to develop recommendations for an ideal AOCM strategy to support the desired migration. Topics for the session to include Adoption Barriers, Org Change Readiness, Success & Challenges related to prior change initiatives, & Comm/Training Needs for Identified Personas</p>		<p>The PDS & Pilot migration phases consisted of guided pilot o SharePoint migration for the OneDrive (up to 150GB), Guided Scan Results, Dedicated Post Pilot Migration support - SharePoint and lastly a series of completed PDS sessions.</p> <p>Adoption output from this engagement includes Change Risk Assessment Output, Rec for Remediating adoption barriers, Recommendations for communicating, training, and reinforcing the change, Training plan for all faculty, staff, IT and end users. eG ET will migrate up to 25 users and migrate up to 5TB of data from GSuite</p>		<p>Modern Work Specialist Mojya Asgari</p> <p>Partner Chris Genazzio, Account Executive</p> <p>Contractual Value Driving Usage of 2,500 A3 Licenses for Faculty/Staff</p>
