<p>eGroup Enabling Technologies was brought on by Greenville City Schools to assist with their decision to move to A5 security.</p>	<p>The team at eGroup Enabling Technologies provided a Threat Protection Engagement to pilot Microsoft 365 A5 Security solutions. Microsoft Defender for Identity, Microsoft Defender for Cloud Apps, & Microsoft Defender for Endpoint were the solutions the school system were interested in. The pilot allowed Greenville City Schools the option to try and ensure these solutions were capable to perform the security services they required.</p>	<p>The decision was made for Greenville City Schools to move forward with Microsoft 365 A5 Security because the Microsoft security services met the mark they required to strengthen their security posture. The school system implemented the A5 capabilities that were piloted during the Threat Protection Engagement.</p>	<p>Security Specialist Jesus Medina</p> <p>Partner Clint Boyleston, Account Executive</p> <p>Contractual Value: \$250,000 in A5 Licensing</p>
