 <p>HarborOne Bank was operating with an on-premises Exchange solution and recognized the necessity to modernize and migrate their email to M365 Exchange Online in advance of a Teams Voice deployment, a key component of their broader digital transformation strategy.</p>	 <p>eGroup Enabling Technologies conducted a thorough review of HarborOne Bank's existing environment to ensure all essential components were ready for the upgrade. After completing this initial assessment and onboarding the customer, the eGroup Enabling Technologies team initiated the migration process, transitioning HarborOne Bank's company emails to Microsoft 365 Exchange Online.</p>	 <p>The successful setup of a hybrid configuration enabled the seamless migration of 550 user mailboxes for HarborOne Bank. This accomplishment by eGroup Enabling Technologies ensured a smooth transition and paved the way for an upcoming Teams Voice deployment.</p>	<p><b>Partner</b> Mike Short, Account Executive</p> <p><b>Contractual Value</b> <i>-Driving Usage of M365 Licenses</i></p>
