CHALLENGE		SOLUTION		OUTCOMES		TEAM		
<p><b>Campus USA Credit Union (Campus USA)</b></p> <ul style="list-style-type: none"> <li>-Looking to migrate their on-premises mailboxes from Exchange 2019 to Exchange Online</li> <li>-Began utilizing SharePoint Online and wished to learn more about the potential migration from Zoom to Microsoft Teams as well as a transition to the M365 Office ProPlus suite.</li> <li>-Needed assistance creating a plan to implement and roll out governance, security, &amp; compliance functions available with their licensing to protect company data in the cloud for each of the workloads.</li> </ul>		<ol style="list-style-type: none"> <li>1. Perform a thorough assessment of their email environment</li> <li>2. Develop a plan to seamlessly migrate users’ email to M365</li> <li>3. Develop a plan for implementation of Defender for Identity and AADP P1 Conditional Access Policies</li> <li>4. Perform a thorough assessment of the SharePoint environment</li> <li>5. Perform a thorough assessment for a migration to OneDrive for Business</li> <li>6. Perform a thorough assessment for a Microsoft Teams transition</li> <li>7. Perform a thorough assessment of the Campus USA Office Suite rollout</li> <li>8. Perform a thorough assessment of current LogRhythm &amp; ReliaQuest implementation</li> </ol>		<p>eGroup Enabling Technologies created a design document outlining the path to migrate the respective workloads into the Microsoft 365 ecosystem, along with a TCO cost-comparison to existing 3rd party tools over 5 years. The document consisted of an implementation approach &amp; plan for Microsoft 365 with E5 licensing for all users, and tactical remediation was reviewed &amp; created for items identified with existing configurations.</p>		<p><b>Security Specialist</b> Tami English</p> <p><b>Partner</b> Chad Lanman, Account Executive</p>
